Proof of Competence Policy

At Dukes AutoTech, we take the safety of our customers very seriously. Therefore certain measures are put in place not only to protect our customer's wellbeing, but their peace of mind as well.

We always carry proof of the following with us:

- Competence in the form of certification of achieved qualifications to work on Light Vehicles.
- Public Liability Insurance in the form of a certificate.
- Road Risks (Open Certificate) to enable our Technician to drive your vehicle.
- Our Identity (Photographic).

All of the above can be produced upon request.
